Information on the processing of personal data:

As an insurer, we require data from customers and other persons. When processing this data, we comply with the provisions of the EU General Data Protection Regulation (GDPR). We use the data to conclude and execute insurance contracts. In some cases, we also process the data for other purposes, such as advertising. In order to carry out the insurance policies, it is necessary to pass on data to other entities. The recipients are generally ERGO Group AG and ITERGO GmbH. The GDPR also regulates the rights of data subjects. These include, for example, rights to information, correction and deletion of data. You can find detailed information at www.ergo.de under the heading "Data protection". We will also be happy to send you written information.
